

REPORT on Appeal against the consensus determination on policy proposal RPKI ROAs for Unallocated and Unassigned AFRINIC Address Space

AFPUB-2019-GEN-006-DRAFT03

On 23rd of Dec. 2021, the Appeal Committee met and discussed the substantive of the appeal bearing reference **AFPUB-2019-GEN-006-DRAFT03**.

- (a) The appellant claimed that many objections and concerns (08 points) raised during the last call were not addressed.
- (b) The Appeal Committee checked and reviewed the concerns raised by the appellant and realized that all objections and concerns raised were fairly addressed

Based on the narrative stated above, the Appeal committee decided that Co-chairs ensured that all objections or concerns raised in respect of the policy proposal **AFPUB-2019-GEN-006-DRAFT03** were adequately addressed and did not err in their consensus declaration at the end of the Last Call period, and therefore confirm the co-chair's decisions announced on July. 21, 2021.
